## Assessment Center

## Profil MIGRA

Sound competency assessment and profiling for people with a refugee or migration background

Funding through „Aktivierungs- und Vermittlungsgutschein“ possible

## We accompany people with a lack of German language skills professionally in their job integration!

If your professional perspectives aren't clear to you, or you are unsure whether you meet the implementation of your intended career, our offer PROFIL MIGRA helps you.

People from the Arabic area do not need German language skills to participate.

If you come from the non-arabic language area, you should have basic knowledge of German or English.

## We support you to develop a job perspective in accordance to the actual labour market tendencies!

We offer practical assessment of skills especially in:

- Nursing and caregiving professions
- Cleaning services
- IT professions
- Horticultural professions
- Warehouse logistical professions
- Metal and construction professions
- Electronic professions

### Plus factor

At the end of the assessment we will provide a [work and result report](#) including a [detailed competence profile](#).

## What awaits you in our seminar?

- Introduction to the German education system
- Professional orientation and career planning
- Recording your previous experience
- Knowledge check
- Language-free test methods
- Work samples
- Practical tests
- Group work
- Language training: German for everyday life

## What are the circumstances of the time?

The Assessment PROFIL MIGRA lasts 3 weeks and generally takes place every month.

Class time is from Monday to Friday from 9am to 3pm.
